

# Cable & Wire West Coast

A Table Top & Networking  
Event Presented by

Join Us At The Ontario, California Convention Center- Accessible from LAX or ONT Airports

## AN OPPORTUNITY TO CONNECT WITH WIRE & CABLE INDUSTRY SUPPLIERS:

- See the latest technology in the Wire and Cable industry, including live machine demonstrations
- Participate in exciting Educational Sessions from industry leaders (see back side for full schedule and details)
- Networking opportunities

### EVENT HOURS:

- **Tuesday, November 7th**  
9am - 5pm

**5pm: Network With Industry Friends! Free Dinner & Drinks Served On The Event Floor!**

- **Wednesday, November 8th**  
9am - 2pm
- Education Sessions: See Back Side for details

## VISIT THESE EXHIBITORS:

- August Strecker
- Bongard Machines
- Boockmann Engineering
- CSG Wiremachinery Solutions
- E.W. Menn
- FUHR
- Heinze & Streng
- Ideal Welding Systems
- iiM
- Klüber Lubrication
- Maschinenfabrik Bock
- Maschinenfabrik Johann Leimbach
- Messe Düsseldorf
- Otto Bihler Maschinenfabrik
- PETIG
- THELEICO Schleiftechnik
- WAFIOS Aktiengesellschaft
- WAFIOS Machinery Corporation
- WAFIOS Umformtechnik
- Witels Albert USA
- WOYWOD Kunststoffmaschinen

# SCHEDULE: TUESDAY, NOVEMBER 7TH

**EVENT HOURS:** 9AM -5PM

## EDUCATIONAL SESSIONS:

Enjoy a selection of exciting **30 minute presentations** that cover advancing technologies, new ideas, processes, or process enhancements in the wire & cable industry!

**DR. PETER WEIGMANN**

Chairman of the Board,  
WAFIOS AG

**PRESENTATION**

iQ technologies: enable easy setup and adjustment of compression & torsion springs. How to reduce the load on your master spring makers and ease labor shortages.

**TUES, 11/7  
10:30 AM**

**MICHAELA BOOCKMANN**

Electrical & Industrial Engineer- Boockmann Engineering

**PRESENTATION**

An Overview of the Different Requirements for Surface Properties of Wires, Strands & Cables: Experiences from the Cooperation with our HELICORD customers.

**TUES, 11/7  
11 AM**

**MICHAEL STOCK**

Managing Director, August Strecker

**PRESENTATION**

Full Parameter Control - Comprehensive control of welding recipes in times of shortage of skilled workers and increasing quality requirements.

**TUES, 11/7  
2 PM**

**JENS GUTSCHE**

Managing Director- WAFIOS Umformtechnik

**PRESENTATION**

Innovative Fastener Output via PTS - Pneumatic Transport System

**TUES, 11/7  
2:30 PM**

**DIRK SIEPE**

Export Manager,  
THELEICO  
Schleiftechnik

**PRESENTATION**

Spring End Grinding: Increasing productivity by using innovative components.

**TUES, 11/7  
3 PM**

## 5PM: NETWORK WITH INDUSTRY FRIENDS!

Free Dinner & Drinks Served On The Event Floor!
